FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 878 - SB 735

February 16, 2019

SUMMARY OF BILL: Requires that any request for an application to vote absentee contain the last four digits of the voter's social security number, rather than the full social security number.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on information provided by the Department of State, the Division of Elections will need to redesign the application form for an absentee ballot; however, such redesign can be accomplished utilizing existing resources of the Division without a significant increase in state expenditures.
- Local governments may use their own version of the application form. Any increase in local expenditures to update any such forms is estimated to be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
